### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a personal interview with Eric Kamerath (Reg. No. 46,081) on 9/14/2004 and in a telephone interview on 9/16/2004.

3. The application has been amended as follows:  
delete claims 15 and 36 (personal interview on 9/14/2004);  
after "comprising" (claim 37, line 10) insert – **a computer-readable medium having** – (telephone interview on 9/16/2004).

### REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance:

The prior art of record does not specifically disclose or remotely suggest:

a client computer system dispatching a second request for the service, the second request including the first authentication data;

the client computer system receiving a second authentication request from the second proxy, the first proxy using the first authentication data to authenticate the client

computer system and forwarding the second request for the service to the second proxy, the second proxy then receiving the second request for the service;

the client computer system retrieving second authentication data associated with the second proxy.

A review of claims 1 – 14, 16 – 35, and 37 - 48, in view of the Examiner's arguments above, indicates that claims 1 – 14, 16 – 35, and 37 – 48 are allowable over the prior art of record.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
